

Notes Valentine Public Hearing

Ex. 6 Personal Privacy (PP)

Crow Butte violation – spill into USDW that persisted for more than two years.

High cancer rates. White River & ponds because of heavy metals. Sealed CBR wells.

Deep disposal wells allegedly failed. Crawford city water infrastructure is dilapidating.

Glenn Nebraska near headwaters of White River.

Ex. 6 Personal Privacy (PP)

Sicangu indigenous people of Turtle Island.

She wonders how meaningful tribal consultation is. Valentine NE is located in the treaty area.

Ex. 6 Personal Privacy (PP)

Oceti Sacowin (Shakon)i. Santee Sioux. Resolution passed by Santee Sioux tribes in opposition of this type of activity.

Ex. 6 Personal Privacy (PP)

Standing Rock. Oceti Shakoni. 2.5% drinkable water in the world; 1.7% groundwater.

NACRA? NAGPRA?

Ex. 6 Personal Privacy (PP)

OST VP Water is sacred to us. The organizations involved have not come to the OST to consult on a Govt to Govt basis. Make Powertech consult with the Oceti Shakonei

Ex. 6 Personal Privacy (PP)

The aquifers will leak. The EPA is a cheerleader for this project. Pretty displays

Ex. 6 Personal Privacy (PP)

Treaty Council since 1992 to review treaty issue

Treaty 1851 tied to the Constitution. Water is life – water is alive. *hócoka* “Ochuka” center of universe the Black Hills.

Ex. 6 Personal Privacy (PP)

refers to EPA mission statement protect humans from ...where we live and work.

Creation story of the Black Hills. Water & culturally full cultural survey of the area. Allow tribal consultation be defined by the tribes. More detail about monitoring of the deep wells.

Honor treaty. Future generations are depending on what we do today.

Ex. 6 Personal Privacy (PP)

The EPA doesn't do these things without somebody pushing. How is Powertech really. Who makes the procedures that we followed.

What is half-life of the waste going into the ground.

Ex. 6 Personal Privacy (PP)

— Rosebud Sioux was present up at Standing Rock for DAPL. Her children were there. Children asked do they not care about the children. Why doesn't God help us protect the water. No cancer clinics nearby. How to travel far to get treatment.

Ex. 6 Personal Privacy (PP)

— Rosebud Lakota Reservation. Great grandmother daughter of chief Howling Bear?

This is the 2nd world we are living in because the 1st world was demolished. The people got greedy, because liars and cheaters – Iktomi – tales of wisdom, cheating lying stealing. (Iktomi is the trickster figure of the Lakota, Dakota, and Nakota Sioux tribes)

In the future, there is going to be a 3rd world coming. Major catastrophe before 3rd world, weather will change, the world will tip to one side. He was able to drink from Spring Creek when he was young. Goes into Little White River. Can't drink that water now, have to rely on well water. Cancer rate in Rosebud has risen.

People who don't live here put U mines in our backyard & oil lines.

Ex. 6 Personal Privacy (PP) – not sure process if meaningful. We don't know what to do with nuclear waste. Uranium is destructive because

Ex. 6 Personal Privacy (PP) – (Child) Mni Wiconi

Ex. 6 Personal Privacy (PP) – (child)

Ex. 6 Personal Privacy (PP) lives in Mission, sister lives in Edgemont.

Ex. 6 Personal Privacy (PP) – White River and Clay Creek – spills and leaks – swimming and fishing, eat the fish, the fish and deer are sick. The horses drop dead. 15 head & 25 head. The fish have bubbles and lesions. Crow Butte is on a 10 year temporary permit, contaminating. Sign "Keep uranium mining

Ex. 6 Personal Privacy (PP) – whether we hear opinions or not remains to be seen. Americans are about 8% of the population but use 96% of the resources. Native Americans are told not to go into the earth were anything. Everything was given to us above ground. Everything below ground is not to be disturbed. Commercial with a glass of clean water with a small amount of lead in it.
